Given the conflict with Chris' schedule, how about Tuesday at 10 am or Wednesday at 11:30 am (AK time)? Bob is in Eastern time so we don't want to push it too late. Every Wednesday from at 9 - 10 am (AKST) we have an EPA R10 BB call.

Phil: I have a recurring conflict the first 45 minutes or so of
that
time slot.
            On Wednesdays I could do it any time other than
10-11:15am (your time) .
Thanks,
Chris
